3 BEDROOMS • 3.5 BATHROOMS • 399 M² (4,294.80 SQ. FT.)

Casa Orion offers a contemporary interpretation of mountain living, designed for those who value simplicity, light, and connection to the outdoors. The home combines modern architecture with natural materials, creating a warm, inviting atmosphere that feels both elegant and grounded. Expansive glass openings bring in soft natural light and frame views of the surrounding greenery.

The open kitchen and living areas flow effortlessly onto a covered terrace, extending daily life outdoors. Every detail is considered, from the clean lines of the interiors to the refined finishes that reflect the calm of Boquete's highlands.

Architecture in harmony

Flexibility and flow

The floor plan separates private and social areas for comfort while maintaining an easy connection between indoor and outdoor living. Spacious rooms, high ceilings, and a natural palette enhance the sense of openness, while the terrace and garden provide a serene backdrop for relaxation or entertaining.

FEATURES:

- Open living and dining areas
- Covered terrace and garage
- Floor-to-ceiling windows with garden and mountain views

Casa Gardenia

2 BEDROOMS • 2.5 BATHROOMS • 280 M² (3,013.9 SQ. FT.)

Our Gardenia model embodies the essence of Lucero living – elegant, balanced, and connected to nature. Designed with timeless architecture and soft contemporary lines, it offers open, light-filled spaces and a natural indoor/outdoor flow. Expansive windows frame mountain and garden views, while refined finishes and a calm, neutral palette create a sense of warmth and sophistication.

With a spacious master suite, guest room, and open social areas that lead to a covered terrace, Casa Gardenia is designed for effortless comfort and everyday living.

Timeless design, modern comfort

Thoughtful functionality

The floor plan offers distinct spaces for relaxation, entertaining, and everyday living. The open layout connects the kitchen, dining, and lounge areas, while private quarters are set apart for comfort and privacy. Natural light fills each room, highlighting textures and finishes that enhance the home's calm, modern character. The covered terrace extends living outdoors, creating a perfect balance between comfort and nature.

Casa Peace Lily

3 BEDROOMS • 3.5 BATHROOMS • 340 M² (3,659.73 SQ. FT.)

Casa Peace Lily is an elegant, efficient home designed for modern mountain living. Its soft lines, open layout, and effortless flow between indoor and outdoor spaces invite calm and connection. Floor-to-ceiling glass in the main living area frames lush greenery and distant peaks, while the covered veranda becomes an extension of the social space, perfect for morning coffee, quiet reading, or casual entertaining. Thoughtful details, like a dedicated study, pantry, and powder room, make this model ideal for full-time living or seamless lock-and-leave stays. With a balanced footprint and a focus on light, privacy, and simplicity, Peace Lily brings nature into daily life without excess.

Simple elegance, thoughtful flow

Balance and natural rhythm

The heart of the home is its open social space that connects the kitchen, dining, and living areas to a covered veranda. Every space flows seamlessly into the next, creating a light and balanced living experience. Two bedrooms are privately set apart upstairs, while a quiet study and powder room offer flexibility for work or guests. Expansive windows frame the gardens and mountain views, filling the interiors with warmth and calm. Optional golf cart parking provides added convenience.

Casa Ave del Paraíso

3 BEDROOMS • 3.5 BATHROOMS • 325 M² (3,498.27 SQ. FT.)

Casa Ave del Paraíso blends contemporary design with tropical ease. Expansive openings and clean architectural lines give the home a weightless feel, while the generous social space creates a natural gathering point for family and friends.

The kitchen anchors the main level, extending out to a spacious terrace ideal for open-air dining or quiet afternoons under the sky. With bedrooms positioned for privacy, a refined master suite, and an optional deck overlooking the landscape, this model is tailored for those who value connection to nature, beautiful light, and daily comfort in a luxurious yet understated setting.

Shaped by light and balance

Designed for ease and movement

A modern two-level design where the social spaces flow outdoors and the private areas remain tucked away. The foyer opens to an airy great room and covered veranda, while the upper level holds both bedrooms and a quiet study. An optional deck adds another layer of outdoor living. Generous windows flood the interiors with natural light, highlighting the connection between the kitchen, dining, and living areas. Clean lines, warm materials, and soft tones create a calm visual harmony that extends from the home's heart to its terrace.
